

The logo for ArchiCosmos™ is displayed in a white, slightly tilted rectangular box. The word "Archi" is in a grey sans-serif font, and "Cosmos" is in a bold orange sans-serif font. A vertical line separates the two words, and a trademark symbol (TM) is at the end.

## Build your own website specifically designed for the Architect or Interior Design Professional

ArchiCosmos™ is Compucon's suite of solutions that enables architects and interior design professionals to enhance their web presence. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow any user with novice PC skills to publish her/his professional and attractive site within a matter of minutes!

### THE PORTAL

ArchiCosmos Members can access the service through dedicated Portals that create a whole community of users or customized Portals that belong to our Corporate Customers and serve their special needs for branded, unique and enhanced Internet presence.

### THE TOOL

The innovative, simple to use online wizard is the best way for a professional to create a web site with minimum cost and effort. Furthermore, through the ability to modify the segment specific modules, ArchiCosmos can be transformed to accommodate sites for civil, mechanical and electrical engineers, as well as any other solo professional of a similar academic background requiring demonstration of her /his projects.

### THE WEB SITE

The result will be always unique, elegant, functional and full of information; a professional web site with the capacity to meet the special aesthetic and functional needs and demands of such an artistic profession. This personal Internet portfolio allows architects and interior decorators to post their CVs; promote their professional achievements; present their most significant projects through an abundance of photographs and images; publish their news and announcements; share and exchange knowledge and experiences with their colleagues and audience.

## What is ArchiCosmos™?

ArchiCosmos is Compucon's suite of solutions that enables architects and interior design professionals to enhance their web presence. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow any user with novice PC skills to publish her/his professional and attractive site within a matter of minutes!

**ArchiCosmos™** is a way to present and promote your talents! ArchiCosmos was created by talented people for talented people... The ArchiCosmos Members can upload **unlimited** number of photographs, images and text in order to promote their professional achievements and present their most significant projects. Additionally, each web page, produced by this powerful tool, is unique and artistic and can accommodate your personal "Look & Feel". Therefore, your web presence will not only be a means to present your gifted spirit but also a proof, on its own, of your creativity and originality.

## ArchiCosmos™ is a way to share and exchange ideas and opinions!

ArchiCosmos is not only a tool for publishing great web sites. It is also a valuable communication means and a vigorous, expanding community. Within its frames (remarkably flexible and open) more and more people, that share not only the same profession but also the same passions and traits, are able to exchange knowledge, ideas and opinions. They can post their news and announcements; create their own email list; conduct opinion poll surveys; collect feedback; thus achieving a fruitful interaction with their segment peers and their visitors.

## ArchiCosmos™ is a dynamic, flexible and globally accessible portfolio

With ArchiCosmos you can create a portfolio that has some extraordinary characteristics: It can support unlimited content; it can be accessible around the clock from any place in the world; it can be always current and fresh. The powerful online wizard that enables instant, direct and dynamic posting of any content to your web site alongside with the unlimited disk space and bandwidth available in the ArchiCosmos service leverage the Internet capabilities to the maximum providing you with advantages that no other means of promoting your portfolio can undertake.

## ArchiCosmos™ is simple, easy and a great value for money!

All members of ArchiCosmos, whether individual online subscribers or users of a Mass Package or Enterprise License (for multiple users, whether administered online or through the organization's own server), take advantage of the extra features and can attain personalised web presence with minimum effort and cost.

ArchiCosmos operates as an online, multilingual community that accepts any individual user on a very affordable subscription basis. Architectural Firms and Offices as long as Construction Companies may opt to create their own, custom-built community with a very low budget and offer to all their members (architects and internal decorators) a personal web development tool and a window to the World Wide Web!
