What is PoliticsCosmos™?

PoliticsCosmos is Compucon's suite of solutions that enables politicians, officials, trade unionists and other spokespersons, as well as, parties, unions and other social and political organizations to enhance their web presence. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow any user with novice PC skills to publish her/his professional and attractive site within a matter of minutes!

PoliticsCosmos™ is a communication medium!

PoliticsCosmos offers to its members a set of powerful communication tools allowing them to interact with people from their precinct as well as from any other part of their country and the whole world. PoliticsCosmos Members can create a valuable database of voters through the e-mail list module thus facilitating the launching of direct e-mailing campaigns. They can receive messages through the guestbook of their website thus effectively taking the pulse of the people. They can issue online surveys and polls thus gathering valuable data on the voting public's opinions and concerns. With PoliticsCosmos, a politician can approach even closer to the members of his community in the most result-oriented and cost-effective way.

PoliticsCosmos™ is a self-promoting tool!

With PoliticsCosmos, members can present and promote themselves in many different ways; they can construct a personal profile that will promote their skills, their achievements, their work and their vision. Posting their CV; presenting their projects; publishing press releases and quotations; creating an online portfolio of speeches, articles, interviews and public presentations; providing information about their personal interests... these are only a few of the many self-presentation capabilities that PoliticsCosmos offers to its members.

Furthermore, seeing that Internet is the wave of the future and Internet users are primarily young and well educated, an enhanced online presence, achievable through PoliticsCosmos, is an asset with unlimited prospective that gives to every public figure's image an innovative and fresh flair.

PoliticsCosmos™ is the means to a successful online election / publicity campaign!

Internet is being increasingly used for campaigning. More and more political parties, NGOs and candidates acknowledge and try to exploit Internet's unique capabilities in order to rally their followers and attract more and more new voters or supporters of their cause. PoliticsCosmos provide all the tools and means for launching and maintaining an efficient and effective online election / publicity campaign that will assemble all the vital characteristics of such an effort: e-mail enabled; interactive; direct; tailored to the candidates' image, profile and needs; accessible to anyone; highly secure and law-abiding.

PoliticsCosmos™ is simple, easy and a great value for money!

All members of PoliticsCosmos, whether individual online subscribers or users of a Mass Package or Enterprise License (for multiple users, whether administered online or through the organization's own server), take advantage of the extra features and can attain personalised web presence with minimum effort and cost.

PoliticsCosmos operates as an online, multilingual community that accepts any individual user on a very affordable subscription basis. Political Parties, NGOs, Unions, Chambers, Associations, and any other Political or Social Organization may opt to create their own, custom-built community with a very low budget and offer to all their members a personal web development tool and a window to the World Wide Web!
