

The logo for BabyCosmos™ is displayed on a white, slightly tilted rectangular banner. The word "Baby" is in a grey sans-serif font, and "Cosmos" is in a larger, orange sans-serif font with a trademark symbol. The background of the entire page features a vibrant, multi-colored wavy pattern in shades of purple, blue, green, yellow, and orange.

Build your own website specifically designed for the Proud Parents of a Newborn Baby

BabyCosmos™ is Compucon's suite of solutions that enables parents of newborn babies to create a web site dedicated to the new member of their family. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow all users with novice PC skills to publish their site within a matter of minutes!

THE PORTAL

BabyCosmos Members can access the service through dedicated Portals that create a whole community of users or customized Portals that belong to our Corporate Customers and serve their special needs for branded, unique and enhanced Internet presence.

THE TOOL

The innovative, simple to use online wizard is the best way for parents to create a web site for their baby with minimum cost and effort. Furthermore, through the ability to modify the segment specific modules, BabyCosmos can be transformed to accommodate sites for children up to 7 years of age.

THE WEB SITE

The result will be always unique, elegant, functional and full of information; an entertaining and sweet web site that will reflect all the love and affection kept in the hearts of mom and dad! The proud parents can communicate with their friends and family; publish photos and stories from the life of the baby within a secure environment that allows access only to those selected by the family.

What is BabyCosmos™?

BabyCosmos is Compucon's suite of solutions that enables parents of newborn babies to create a web site dedicated to the new member of their family. Pre-designed templates and modules, coupled with an easy to use web publishing tool, allow all users with novice PC skills to publish their site within a matter of minutes!

BabyCosmos™ is a way to express and share your joy and love!

Is there anything more memorable, delightful and worth sharing than your joy for the coming of your baby? The birth; the first moments at home; the first steps; the first day in school... all these unique moments, and many more, deserve not only a place in your memories and the family's photo album but also a means to be shared with all the loved ones: Grandparents, aunts, uncles and good friends that might live just around the corner or in the other side of the world. Upload your favourite photos and accompany them with a description of your thoughts; express yourself in communicating to the world your most joyful feelings. Happiness gets doubled upon sharing!

BabyCosmos™ is an ideal online diary!

BabyCosmos gives you the ability to constantly update the content of your web site thus creating and maintaining an online personal diary for your baby and your family. It is so easy and amusing to create new topics, add photos and post stories in your web site and, furthermore, the result is so rewarding that it can become a kind of game or a hobby that will accompany you throughout the whole upbringing period of your child. Additionally, you will never have to worry about who is going to have access to this diary as you will be the only key-holder. BabyCosmos supports a secure login functionality that allows you to specify and distribute specific passwords that will grant access to your web site only to those of your choice and not to the anonymous public.

BabyCosmos™ is a way to communicate!

BabyCosmos gives you all the tools necessary for communicating with other people as it is not only a web site publishing service but also a collection of interaction capabilities and a community of new or expecting parents. You can accept wishes through your guestbook or share your parenting tips by posting your experiences and knowledge in your web pages. Furthermore, through the BabyCosmos network of portals and sites you can visit other babies' web pages, enjoy other people's stories and learn from them.

BabyCosmos™ is the ideal gift!

Members of the family, relatives and friends can differentiate by offering BabyCosmos as a gift to the new parents; a unique, imaginative and thoughtful present that will be a companion to the child and the family for many years to come.

BabyCosmos™ is simple, easy and a great value for money!

All members of BabyCosmos, whether individual online subscribers or users of a Server License (for multiple users, whether administered online or through the organization's own server) take advantage of the extra features and can attain personalised web presence with minimum effort and cost.

BabyCosmos operates as an online, multilingual community that accepts any individual user on a very affordable subscription basis. Companies that offer baby and infant related products and services may opt to create their own, custom-built community with a very low budget and offer to all their customers a personal web development tool and a window to the World Wide Web!
